

Adult Recreation Baseball League Forming

The Joplin Parks and Recreation Department is interested in forming an Adult Recreational Baseball Summer Baseball League.

For those that are interested there will be an informational meeting held Thursday, January 7th at 7pm located in the American Legion Room at Joplin Memorial Hall.

For more information please contact the Joplin Athletic Complex at 625-4750.

PICKLEBALL DEMONSTRATION

The Joplin Parks and Recreation Department will be holding a Pickleball Demonstration for those who are interested in learning about this fun sport!

Pickleball is a fun game that is played on a badminton court with the net lowered to 34 inches at the center. It is played with a plastic ball similar to a whiffle ball and wooden or composite paddles. It is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experience players. It is a great social and interactive sport. This sport is for everyone!
