One-on-One Lessons

Already past that beginner phase and want to learn more? We gotcha covered! One-on-One Lessons is a private 1 hour lesson program. We are proud to present Rob Taylor as our instructor for this program! The great thing about One-on-One Lessons is that it allows for a flexible schedule in your busy world.

How it works is that you register at the Joplin Athletic Complex, then Rob Taylor will call and set up the time and date of the instruction. It is as easy as that! The fee is \$32/hour lesson. If you want more, than you register for more.

Most private lessons are done in 4-one hour instructions. Obviously 4 instructions are better than one but we leave that up to you! This is available to anyone! For more information on our instructor, Rob Taylor, call us at 625-4750. All lessons will take place at our new tennis facility!

Also, if you are already a member of the Joplin Athletic Complex Tennis Facility then One-on-One Lessons are only \$24/hour.
