

STATEMENT OF PREFERRED FUTURE

To meet leisure needs of citizens in an environment which first maintains its existing facilities but one which is also responsive to new ones when warranted. In each case, citizens are strong in their support for the linkage of facilities by a multi-use trail system, which utilizes greenway corridors, sidewalks, and roadways, when necessary.

Citizens Steering Committee

CREDITS

“Never doubt that a small group of thoughtful committed citizens can change the world. Indeed, it is the only thing that ever has.” (Anthropologist Margaret Mead)
